

## The Unitarian Universalist Church of Sarasota and Lakewood Ranch

The designated recipient for this month's **Share the Plate** Offering is the Trauma Leadership Corps (TLC), a project of SRQ Strong. SRQ Strong and the Healthy Teens Coalition of Manatee County (HTC) partnered to develop this local youth trauma training team. Young adult leaders (ages 15-22) offer peer-to-peer training and support to youth and youth-serving providers in Manatee and Sarasota Counties. The program benefits young people in various local youth settings such as Girls, Inc, ALSO, and others.

The two beautiful quilts on display in our Sanctuary were created by UUCS member Peg Green. You can view more of her fabric artworks at [www.peacepeg.com](http://www.peacepeg.com).
