

**SELLING YOUR ART
AT U.U.C.S.**

Transactions are dealt with entirely between you and the buyer. The front office is not involved at all.

The buyer gets in touch with you via the contact information on your title card.

In general, all artwork stays in the show until the pick up date. However, if it will prevent a sale, artwork can be picked up by the buyer earlier, as long as the artist can replace the piece with something similar on the next day the gallery is open. *But no artwork can be removed during the opening reception.*

When you sell a piece, make sure to get a red sticker put on your title card.

We ask that you donate 20% of your sale to U.U.C.S. Thank you!
